^{*} Because of large estate gifts totaling \$237,000 in FY '16-17 and the sale of Old St. Monica's (about \$400,000 of income) and the renovation of Our Lady Star of the Sea Church (about \$700,000 of expense) in FY '17-18, these last two years' financial statements have posted a large net income and a large net loss, respectively. Apples to apples, the ordinary offertory declined 1.1%. We should be sure to avoid a downward trend in the parish's main source of financial support. Fortunately, we were able to reduce our debt to the diocese by almost 40%. Want to ditch envelopes for electronic giving?
